Project Description:

The proposal is to construct a new 228-bed Medium Security Detention Facility and a Video Visitation and Support Building. The proposed facility will be an AB 900, Phase II, State grant-funded project that will be a new stand-alone facility and entail creation of two lots within the existing Tentative Tract Map #949 by legal description and deed. The proposed Detention Facility (approximately 62,000 gross square feet) will be contained within the existing jail's securely fenced perimeter. The current prison site is flat and contains movable storage containers and steel building used as the laundry. The Video Visitation and Support Building will be constructed outside the secured perimeter, immediately south of the existing Jail Facility and within the Applestill Road right-of-way, south of the City of El Centro, California.
