Lot Line Adjustment (LLA) #00341

Applicants: Daniel & Kelli Hawk
1798 Townsend Road
Holtville, CA 92250

Norberto & Patricia Irungaray
2001 Verde School Road
Holtville, CA 92250

Agent: Precision Engineering & Surveying, Inc.
Taylor Preece, P.L.S.
PO Box 2216
El Centro, CA 92243

Project Location:

The proposed project site is located at 2095 Snyder Road, and 2346 East Hoyt Road, Holtville, CA 92250; and further identified as Assessor's Parcel Number(s) 050-230-019-000 (Parcel A) and 050-230-018-000 (Parcel B), and is legally described as a portion of Tract 94, T15S, R16E, S.B.B.M, and unincorporated area of the County of Imperial, State of California.

Project Summary:

The Applicants are proposing a Lot Line Adjustment (LLA) #00341 to adjust the boundary lines around "Parcel A" to correct an encroachment of the existing residential home on such onto the adjacent agriculture field of "Parcel B", while both maintaining their existing acreages.

"Parcel A" will continue to receive potable water via an existing Point of Entry system connected through an existing underground water service line from Pear Side Main Canal, while sewer will continue to be provided via an existing septic system. "Parcel B" will continue to receive water from the East Highline Lateral 11, Delivery No. 275 and will continue to drain to the East Highline 12 Drain and the Holtville Main Drain No. 4.

"Parcel A" will maintain its existing physical access via Snyder Road. "Parcel B" will maintain its existing physical access via Hoyt Road.

“Parcel A” will maintain its existing residential use and remain under the ownership of Daniel and Kelli Hawk. “Parcel B” will maintain its existing agriculture use and remain under the ownership of Norberto and Patricia Irungaray. No new construction or structural improvements are proposed for either parcel.

Existing Parcels:

- “Parcel A” (050-230-019-000) – $\approx \pm 2.07$ Acres
- “Parcel B” (050-230-018-000) – $\approx \pm 80.63$ Acres

Proposed Parcels:

The proposed adjusted parcel size would be:

- “Parcel A” (050-230-019-000) – $\approx \pm 2.07$ Acres
- “Parcel B” (050-230-018-000) – $\approx \pm 80.63$ Acres

County Ordinance:

Lot Line Adjustment (LLA) #00341 is consistent with the Imperial County Land Use Ordinance (Title 9), Division 8 – Subdivision Ordinance, Section 90807.00 as no new parcels are created or eliminated. The proposed project is also consistent with the Subdivision Map Act, Section 66412 (d), since the land taken from one parcel is added to an adjoining parcel.

Land Use Analysis:

Per Imperial County General Plan, the land use designation for both parcels is Agriculture and zoned “A-2” (General Agricultural) per Zoning Map #22 of the Imperial County Title 9 Land Use Ordinance. The proposed project is consistent with the County’s General Plan and zoning ordinances.

Surrounding Land Use Ordinance:

DIRECTION	CURRENT LAND USE	ZONING	GENERAL PLAN
Project Site	Residential/Agriculture	A-2	Agriculture
North	Agriculture	A-2	Agriculture
South	Agriculture	A-3	Agriculture
East	Agriculture	A-2	Agriculture
West	Vacant	A-2	Agriculture

Environmental Determination:

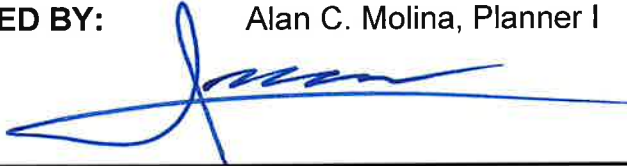

After review of the CEQA Guidelines, it has been determined that Lot Line Adjustment (LLA) #00341 is categorically exempt from CEQA per Article 19, Section 15305, Class 5 (Minor Alterations in Land Use Limitations); therefore, no further environmental documentation is required by State Law.

Staff Recommendation:

It is recommended that the Planning Director hold a public hearing, hear all the proponents and opponents of the proposed project, and then take the following actions:

1. Find that Lot Line Adjustment (LLA) #00341 is categorically exempt from CEQA per Article 19, Section 15305 (Minor Alterations in Land Use Limitations) and that no further environmental documentation is necessary; and,
2. Find that Lot Line Adjustment (LLA) #00341 is consistent with applicable Zoning and Building Ordinances; and
3. Approve Lot Line Adjustment (LLA) #00341, subject to the attached conditions.

PDA RESOLUTION & FINDINGS

RESOLUTION NO.

A RESOLUTION OF THE PLANNING DIRECTOR OF THE COUNTY OF IMPERIAL, CALIFORNIA, APPROVING “LOT LINE ADJUSTMENT #00341” DANIEL & KELLI HAWK AND NORBERTO & PATRICIA IRANGURAY

WHEREAS, Daniel & Kelli Hawk and Norberto & Patricia Iranguray, submitted an application for Lot Line Adjustment #00341 to adjust the boundary lines around “Parcel A” (050-230-019-000) to correct an encroachment of the existing residential home on “Parcel A” onto the adjacent agriculture field of “Parcel B” (APN 050-230-0018-000) while both maintaining their existing acreage; and,

WHEREAS, the project is exempt from the California Environmental Quality Act (CEQA), per Government Code 15305; and,

WHEREAS, public notice of said application has been given, and the Planning Director has considered evidence presented by the Imperial County Planning & Development Services Department and other interested parties at a public hearing held with respect to this item on June 25, 2025; and,

NOW, THEREFORE, the Planning Director of the County of Imperial **DOES HEREBY RESOLVE** as follows:

SECTION 1. The Planning Director has considered the proposed Lot Line Adjustment prior to approval. The Planning Director finds and determines that the Lot Line Adjustment is adequately prepared in accordance with the requirements of the Imperial County General Plan, Land Use Ordinance, Subdivision Map Act, and California Environmental Quality Act (which assesses environmental effects) based upon the following findings and determinations.

SECTION 2. That in accordance with State Planning and Zoning law and the County of Imperial regulations, the following findings for approving the Lot Line Adjustment #00341 have been made as follows:

A. Whether the lot line adjustment conforms to State law and County Ordinances.

Lot Line Adjustment (LLA) #00341 conforms to California State Law through Section 66412(d) (Map Act Exclusions) of the Subdivision Map Act and Section 15305(a) (Minor Alterations in Land Use Limitations) of the California Environmental Quality Act (CEQA); additionally, the Lot Line Adjustment conforms with the Imperial County Land Use Ordinance, Title 9, Division 8 - Subdivision Ordinance, particularly section 90807.00 et. seq. (Lot Line Adjustments).

B. The lot line adjustment is consistent with County Zoning and Building law.

Lot Line Adjustment (LLA) #00341 is zoned A-2 (General Agriculture Zone) and it is consistent with the Imperial County Land Use Ordinance (Title 9), Section 90508.00 et. seq. In addition, Lot Line Adjustment (LLA) #00341 is consistent with Building laws since no improvements to the land are being proposed.

C. That the lot line adjustment is not a re-subdivision pursuant to Government Code 66499.20 et. seq.

Lot Line Adjustment (LLA) #00341 is not a re-subdivision pursuant to Government Code 66499.20 et. seq.

D. That the lot line adjustment does not create any new lots or parcels or delete any lots or parcels.

Lot Line Adjustment (LLA) #00341 will not create nor delete any new lots or parcels. The proposed project will not create a change in acreage size. Therefore, Parcel A will maintain its existing size of $\approx \pm 2.07$ acres and Parcel B will maintain its existing size of $\approx \pm 80.63$ acres.

E. Determine what CEQA documentation is necessary to be filed for the applicants.

Lot Line Adjustment (LLA) #00341 is exempt from CEQA pursuant to Article 19, Section 15305 (a) - Minor Alterations in Land Use Limitations. Therefore, no further CEQA documentation is required. Nevertheless, a Notice of Exemption will be filed with Imperial County Recorder's Office for thirty (30) days.

F. Determine what conditions are necessary for compliance with Zoning and Building Ordinances, and to facilitate the relocation of existing utilities, infrastructure, easements or improvements.

The planning staff has established conditions for Lot Line Adjustment (LLA) #00341 to assure that the affected parcels comply with the County's Zoning and Building Ordinances (see attachment D).

NOW, THEREFORE, based on the above findings, the Imperial County Planning Director **DOES HEREBY APPROVE** Lot Line Adjustment #00341, subject to the attached Conditions of Approval.

Subject: Lot Line Adjustment APNs 050-230-018 & -019

Good morning Taylor,

The Planning and Development Services received your proposed lot line adjustment application to adjust the boundary lines around "Parcel 1" (APN 050-230-019) and "Parcel 2" (APN 050-230-018) to correct an encroachment of the residential home on Parcel 1 onto the agriculture field of Parcel 2 while maintaining their current acreage.

Per the submitted Lot Line Adjustment Site Plan, Parcel 1 will continue to receive water via existing Point of Entry systems connected through an existing underground water service line from Pear Side Main Canal and sewer will continue to be provided via an existing septic system.

At your earliest convenience, would you please clarify from where Parcel 2 will receive water (canal name and delivery gate number) and to where will the water drain to?

Best regards,

Alan Molina

Dear Mr. Minnick:

This letter is in response to your submittal received by this department on May 21, 2025. The applicant is proposing a lot line adjustment to adjust the boundary lines around "Parcel A" (APN 050-230-019) to correct an encroachment of the existing residential home on "Parcel A" onto the adjacent agriculture field of "Parcel B" (APN 050-230-018) while both maintaining their existing acreages.

Department staff has reviewed the package information, and the following comments shall be Conditions of Approval

1. The legal description and plat shall be prepared by a California Licensed Land Surveyor and submitted to the Imperial County Department of Public Works for review and approval.
2. The lot line adjustment shall be reflected in a deed, which shall be recorded.
3. Each parcel affected by this lot line adjustment shall abut a maintained road and/or have legal and physical access to a public road.
4. Because of the lot line adjustment, the existing electrical service drop line for Parcel 1 would have to be mitigated to not cross the proposed parcel boundary.

Should you have any questions, please do not hesitate to contact this office. Thank you for the opportunity to review and comment on this project.

Respectfully,

John A. Gay, PE
Director of Public Works
