Project Description:

The Mesquite Regional Landfill was originally permitted under Conditional Use Permit #1036-91 for receipt of municipal solid waste (MSW) by rail of up to 20,000 tons per day in five trains per day along with 1,000 tons of MSW per day from Imperial County. The subsequent 2011 CUP #06-0003 amended the previous CUP to allow trucking of up to 4,000 tons per day of MSW and treated ash to the landfill site. This current CUP #17-0003 permits agricultural products and related commodities to be delivered/exported from the intermodal site and the Imperial County Planning Commission recommended approval on October 11, 2017, and the Board of Supervisors approved the environmental document and the CUP #17-0003 on December 12, 2017. The site is located on a portion of 4,250 acres that includes the Mesquite Gold Mine, Assessor's Parcel Number 039-340-027-000, et. seq. and is within Township 13 South, Range 19 East, SBB&M.

This is to advise that the Board of Supervisors has approved the above-described project on February 6, 2018 and has made the following determinations regarding the above described project:
